

FINTECH CONSULTANT

LUXHUB is a leading FinTech, Open Banking pioneer and Payment Institution, headquartered in Strassen, Luxembourg.

A PFS (Professional of the Financial Sector), licensed Account Information Service Provider & Payment Initiation Service Provider, and REGTECH100 2022 company, our purpose is to empower the entire digital ecosystem, enabling all actors to embrace the challenges of Open Finance. Our motto says it best: “Shaping the future of finance. Together.”

As a fast-growing company, we do need YOU to support our development. We are expanding our team with skilled, motivated, open-minded entrepreneurial people, and are now looking for an exceptional FINTECH CONSULTANT.

You will join a rapidly expanding team of 32+ across all departments, with a high level of skill, motivation, openness and entrepreneurial spirit. LUXHUB is a diverse, international company, with 13 different nationalities already represented across the workforce.

RESPONSIBILITIES

Key responsibilities will include to work on the following tasks together with the Marketing, Product and Sales teams as well as with the management:

- **Contribute to the definition of the company's business strategy**
- **Identify potential business opportunities**, perform market watch and support financial technology expertise within the company
- **Identify potential partners and build relationship** with the selected partners
- **Contribute to the production of business content**
- **Participate to the identification of the prospects** for LUXHUB products, present such products to prospective clients and convert into a long-term customer relationship

REQUIREMENTS

- At least **2 years of experience** in a consulting firm, a technology driven company or a financial institution
- Interest and curiosity in **technological and regulatory topics**
- **Strong communication, analytical, presentation and problem-solving skills**
- **Excellent writing skills**
- Balance a self-motivated, independent work with a **strong team spirit**
- Capacity to organize and prioritize work to **ensure on-time delivery**
- **Comfortable within a fintech environment**, with a demonstrated entrepreneurial spirit
- University degree in business, economics, engineering or law
- **Perfectly fluent (both written and verbal) in French and English**; any other language will be considered as a real advantage

If you are interested in working in a start-up environment, facing new challenges everyday together with a highly motivated team, please send your application with detailed curriculum vitae to **“JOBS@LUXHUB.COM”** – reference “FINTECH CONSULTANT”.

Please note that during the last final step of our selection process, we will ask you to provide us with the bulletin number 3 of your Luxembourgish criminal record and with the equivalent from your countries of residence in the last 5 years (if applicable).

You are hereby informed that LUXHUB will process your personal data within the context of the recruitment process when you answer to one of our job offers or send us an application spontaneously. LUXHUB is in this context acting as data controller and your personal data will be disclosed internally with the relevant persons involved in the recruitment process. In order to verify the accuracy of the information provided, LUXHUB may perform checks based on professional related information available on public websites. LUXHUB will store your personal data for a period of up to six (6) months from the date of closure of the recruitment process. If you want to exercise your data subject access rights, please contact us at dataprotection@luxhub.com or LUXHUB, Attn. DPO, 153-155D Rue du Kiem, L-8030 Strassen. In accordance with applicable data protection legislation, you also have the right to lodge a complaint with the CNPD.
